Mrs.LeOra Jocobe, Librarian

Local funds	$105,876
Revenue Sharing	24,518

The Uintah County Public Library now has an addition of 4,000 square feet of new floor space and 2,142 sq. feet of remodeled space. Southwest Weber County Branch Library

Evelyn Dussol, Librarian
Dedicated February 1, 1975

Local Funds	$76,766
State Bicentennial Grant	$35,000
L.S.C.A. Title II Funds	$79,942
Total Funds	191,708

Late in 1975 the new Southwest Branch of the Weber County Library opened its doors to the public. Serving the residents of the Roy area, the branch has 4,800 square feet floor space designed to meet immediate community needs and easily adjust to new services. The building is wired for television reception and viewing so that it can readily be tied to cable television broadcasts from the main library when such service is inaugurated. This is the first library in the state to use bookstacks which can be moved into different configurations while fully loaded by means of a hydraulic lift. This will allow for the most efficient and flexible use of the building. A built-in story hour pit highlights the children's department. A unique feature of this library is 800 square foot American Heritage Center, funded by the Utah Bicentennial Commission. It houses historical materials of state-wide interest and is decorated in Early American funishings and accessories.

C. Institutional Library Services (L.S.C.A. Title I)

During the Fiscal Year 1974-1975, Title I funds provided the following for our state's institutions.

State Prision	Purchased books, equipment and magazines.
State Training School	Purchased AV equipment, books and materials.
State Hospital	Purchased books, magazines, supplies, Av materials and equipment.
State Industrial School	Purchased books, AV Equipment and supplies.
State Schools for Deaf & Blind	Paid salary of full-time library assistant & AV equipment.

II. SPECIAL SERVICES DIVISION

Services to the Blind and Physically Handicapped (L.S.C.A., Title I).

During the fiscal year, 1975, Title I and State Funds were used to extend library services to the blind and physically handicapped people in Utah. Wyoming contracted with the State Library for total library service to their blind and physically handicapped people. The states of Idaho, New Mexico, Oregon, Nevada, Colorado and Montana contracted with the State Library for braille services only.

The Utah State Library for the Blind and Physically Handicapped is the Multi-State Center serving 13 western states. As such, Utah is a back-up in service and collection to the Regional Libraries for the Blind in the West.

During fiscal 1975, the State Library circulated books to the blind and physically handicapped in five different formats, i.e.; braille books, talking books, books on tape, large print books, and cassette books. The circulation statistics of each type of book are listed on the following page.
